## **Education**

May 2022

Bachelor of Science in Environmental Safety

University of Central Missouri (UCMO)

Warrensburg, Mo

## **Experience**

Owen Construction- Kearney, Mo

2020-2021

- Built Houses from the foundation up, worked on each phase of construction.
- Built and lifted walls and trusses with the help of others, learned how to use power tools in a safe environment.
- Was able to look at the blueprints, still need help but willing to learn.

Jefferson Street Flooring- Kearney, Mo

2018-2019

- Learned how to move heavy objects in a safe way, organized and cleaned warehouse.
- Moved displays, measured and rolled remnants.
- Operated A forklift and had to be aware of my surroundings due to the tight space in the warehouse.

Lifeguard- Gower, Mo

Summer of 2017-2018

- Watched over patrons to make sure everyone was safe.
- Vacuum the pool and clean concession when closing, and nightly bank deposits.

CPR Certified, Missouri Western State University

Summer of 2017

- Learned how to save lives in and out of the pool.

## **University Involvement**

- AKL(Alpha Kappa Lambda)
- Basketball Intramurals

Fall 2018

## **Helping the Community**

- Helped pick up trash by the side of the highway for school.
- AKL(Alpha Kappa Lambda) Pigskin pass-off, supports Cystic Fibrosis, Each Fall of my college career
